Sub:Participation in different programmes on the occasion of Ground Water Week Celebration 2017

Dear Sir / Madam

You may be aware that Regional Science Centre, Lucknow, is functioning under the aegis of National Council of Science Museums (NCSM), under the Ministry of Culture, Government of India. The main objective of the centre is popularization of science amongst the masses and development of scientific temper especially in children.

As a part of our regular educational activities, we feel pleasure to inform you that **Regional Science City, Lucknow in collaboration with Ground Water Department, Uttar Pradesh, Lucknow** is going to organize a variety of programmes to commemorate the occasion of Ground Water Week Celebration from **16th to 21st July, 2017**. This programme series shall certainly be an excellent opportunity for our budding young minds to satisfy their quest for information and knowledge. The details of different programmes to be organized are given below.
